**295 Series Architect's Choice (3oz)
Top Quality Spun Bond Landscape Fabric**

295 Series Architect's Choice is Top Quality Landscape Fabric. At 3oz this product is much more substantial than the 1oz and 2oz Home Center Brands! The unique spun design of this fabric means superior weed control along with high permability. This material is our easiest to cut with any sharp blade, yet resists punctures or tears. This Top Quality fabric is American Made of 100% gray polyester fibers that are naturally UV resistant. Strength, durability and superior weed control in a light weight landscape fabric, that's Architect's Choice.
